Transparent  
Open  
Vendor-neutral

## Working Groups

Group of organizations  
Focus, promote and augment Eclipse technologies  
Open Governance

# Eclipse Foundation Working Groups

## Foundation in a box

### **Vendor-Neutral Governance**

Collaboration under a vendor neutral governance model

### **Ecosystem Development and Marketing**

Eclipse Foundation staff help build a community for collaboration through marketing and community programs

### **Collaborative Management**

Working groups coordinate the efforts of open source projects by providing a shared vision and roadmap

### **Specification Development**

Eclipse Working Groups use the proven Eclipse Specification Development processes that provides a framework for the development of specifications in open source

### **Branding and Compatibility**

Creating branding and compatibility programs to build a trusted ecosystem of implementers and consumers

**Software-Defined Vehicle**

# Building an automotive community

Home / EclipseCon / EclipseCon 2021 / Conference / Community Day

## Community Day

Community Day at EclipseCon has always been a great event for Eclipse working groups and project teams, and this year's virtual day is no exception! Community Day is on Monday, October 25 (the day before the start of the main conference).

Community Day is focused on and around working groups and Eclipse projects. The content is organized by the community groups themselves, with logistical support provided by the conference team. Anyone who is registered for EclipseCon 2021 may participate in Community Day; no extra signup is required.

**The 2021 Community Day schedule is now full; thanks to all those community members who signed up to organize a session! Space is limited, so be ready to join the sessions at their start time.**

## Why Participate in Community Day?

Here are just some of the reasons for joining Community Day:

- Get together with your group for a meeting, project update, workshop, presentation, or panel discussion
- Grow your community by inviting others to learn about and join your group
- Highlight your technology and Eclipse projects to gain visibility in the broader Eclipse community
- Benefit from the promotion that the Foundation marketing team will be doing for Community Day

## Agenda

The table below shows an overview of Community Day. **All times listed are CET.**

TIME	SESSION
15:00 - 19:00	Automotive@Eclipse Meet the Automotive@Eclipse Community   The Future of Automotive@Eclipse - News, Strategy, Outlook

## COMMUNITY. CODE. COLLABORATION.

EclipseCon is the leading conference for developers, architects, and open source business leaders to learn about Eclipse technologies, share best practices, and more. EclipseCon is our biggest event of the year and connects the Eclipse ecosystem and the industry's leading minds to explore common challenges and innovate together on open source runtimes, tools, and frameworks for cloud and edge applications, IoT, artificial intelligence, connected vehicles and transportation, digital ledger technologies, and much more.

### Projects

- Eclipse Automated Driving Open Research (ADORE)
- Eclipse Cloe
- Eclipse Kuksa
- Eclipse MDM|BL
- Eclipse MOSAIC
- Eclipse OpenMCx
- Eclipse sim@openPASS™
- Eclipse Sphinx™
- Eclipse SUMO™
- Eclipse Tractus-X
- [Eclipse APP4MC](#)
- Eclipse [iceoryx](#)
- [Eclipse Cyclone DDS](#)
