

# Aperi Community Call

February 28, 2008

## Aperi 2008 Roadmap update

## Aperi Roadmap modification process

1. Announce/Kickoff roadmap update and gather input at a Community meeting.
2. Post announcement to mailing lists.
3. Community reviews existing roadmap and other project artifacts
4. Solicit requests for any new candidate line items
5. Prioritize line items
6. Assign resources to high priority items and timeframe for completion
7. Map line items across time in road map
8. Obtain final agreement from community (vote)
